At the weekends ask your waitress about our brunch specials!

Where your food is from:

We love to use local ingredients so,

- All of our eggs are free range, that's why they are lovely and yellow. We get them from Mrs. O'Reillys farm in Co Cavan.
- Our butcher is Bord Bia approved providing the top quality meats we use
- Black & White pudding is none other than Clonakilty's finest
- Our toast bread is handmade each day at the artisan Bretzel Bakery
